

Ahmet OZKESEK

17 Stonor Road GFF West Kensington W14 8RZ LONDON

M: 0772 922 3112

E: aozkesek@gmail.com

Summary

I am 25+ years experienced Software Developer/Programmer with a Bachelor of Technology in Computer Sciences Engineering. I developed software for Call Contact Centre Systems, ATM Management Systems, Work-Flow and Document Management Systems. I worked in Banking and Financial sector in Istanbul for 15 years. What I am looking for is;

- A London based, contractor, either inside or outside IR35, Java Programmer role
- The role should require less FE/UI development and no CSS, AngularJS, ReactJS
- The role should require no lead, management tasks

Experience

Oct 2016 – date	Istanbul, London	Freelancer
